## **RESUME**

J. Phelps White, IV

Experience: 43 + years drilling, completion and production oil and gas operations. Some experience with Helium, CO2 and deep water exploration.

2012 to present Owner Primero Services, LLC/Toltec Energy Associates, LLC

Primero Services was split off from Primero Operating, Inc. in order to provide better insurance to consulting clients in 2012. In mid-2022 the name of Primero Services, LLC was changed to Toltec Energy Associates, LLC to prevent connections with Primero Operating, Inc.

Toltec Energy Associates previously Primero Services provides consulting services to companies using its experience in all aspects of Oil and Gas operations.

1990 to 6/2022: Owner Primero Operating, Inc.

Primero Operating, Inc. was an oil and gas exploration and production company. Primero Operating developed several exploration prospects and operated numerous oil and gas wells in New Mexico and West Texas. Primero Operating, Inc. was sold in June 2022.

1986 to 1990: Owner Slash Four Enterprises, Inc.

Slash Four Enterprises, Inc. was involved in the operations and consulting business. Slash Four generated several prospects and was primarily in the exploration and production business.

1979 to 1986: VP Operations Cibola Energy Corporation

Cibola Energy Corp was a publically owned company in the business of wildcat drilling all over the state of New Mexico. Cibola Energy operated wells in Mora, Guadalupe, Otero, Chaves and Eddy counties in New Mexico and in Tom Green County, Texas.
